### **Upcoming Events**

**GSCCC Quarterly Stakeholder Meeting, Friday, March 15, 2013 at Simply Green in Portsmouth!** 9:00-11:30 a.m. This meeting is hosted by Simply Green and will be held at their headquarters at 3612 Lafayette Road in Portsmouth. Presenting at this event are Bob Kuhsel of White Mountain Biodiesel, David Green of Oakhurst Dairy, and Michael August of City of Keene. There will be a tour of Simply Green's new storage facility after the meeting. RSVP to Dolores Rebolledo at 603.271.6751 or [dolores.rebolledo@des.nh.gov](mailto:dolores.rebolledo@des.nh.gov).

**GREET Fleet Footprint Calculator Webinar, Monday, January 7, 2013.** Andrew Burnham from Argonne National Laboratory will lead the webinar. The GREET model allows fleets to calculate the petroleum displacement and greenhouse gas emissions of medium- and heavy duty- vehicles and off-road equipment. Stakeholders are invited to attend. Visit: [www1.eere.energy.gov/cleancities/toolbox/webinars.html](http://www1.eere.energy.gov/cleancities/toolbox/webinars.html) for web address and passcodes.

**GSCCC Propane Workgroup's first meeting, Thursday, January 17, 2013, DES Offices, Concord.** At this meeting we will discuss the Workgroup's purpose, structure and issues related to propane as a transportation fuel. Contact Dolores Rebolledo ([dolores.rebolledo@des.nh.gov](mailto:dolores.rebolledo@des.nh.gov), 603.271.6751) if you are interested in joining this workgroup.

**World LNG Fuels 2013 Conference and Exhibition, January 21-23, 2013, Houston, TX.** For more information on this event, visit: [www.worldlngfuels.com](http://www.worldlngfuels.com).

**Biodiesel Conference & Expo, February 4-7, 2013, Las Vegas, NV.** Register today! For more information, visit: [www.biodieselconference.org](http://www.biodieselconference.org).

**Green Truck Summit March 5-6, 2013 Indiana Conference Center, Indianapolis, IN.** Held in Conjunction with NTEA's Work Truck Show. For more information visit: [www.ntea.com](http://www.ntea.com).

## **News of Interest**

**Tax credits are back!** The House of Representatives and Senate passed a bill this week that includes incentives for alternative fuels and infrastructure. Included in the bill are tax incentives for biodiesel, propane, CNG, LNG, and electric vehicles. The 30% natural gas infrastructure credit has also been reinstated - making for a very happy new year for alternative fuels!
